

Please Note: Dance/Drill Nationals Divisions

Once Nationals registrations have been received in the USA office, division changes will only be accepted in writing up until the Monday following the last USA Regional competition that your team attends.

(ex. if your last USA Regional is Bella Vista on 2/4/12, any Nationals changes are due by Monday 2/6/12).

Any soloist names may be changed if submitted in writing no later than Thursday, March 1, 2012.

Please email the change to kim@usacamps.com.

Starting the Tuesday after your last USA Regional attended, your team will remain in the divisions listed on the Nationals entry form submitted.

Once Nationals registration is closed, additions to your existing entries (including soloists) will not be accepted.

Thank you!
