

Seating Times

Sunday – March 4, 2012

(rev. 2/17/12)

In an effort to help ensure seating for all of our family, friends and guests, the Hyperion Theater will open at specific times to accommodate spectators coming to watch their team(s) perform.

You must have an appropriately colored wristband to enter the theater. Any person who purchased a USA Nationals package and/or Disneyland Resort™ ticket through the United Spirit Association will receive a wristband as part of their purchase. All other spectators must purchase a competition wristband at the Stage 17 facility (between the Muppets Vision 3D and Monsters Inc. attractions).

Wristbands are color-coded differently for Saturday and Sunday's performances.

At the conclusion of each of the sessions below, there will be an awards ceremony. The theater will then be cleared of all spectators in preparation for the doors opening for the next session. Absolutely no spectator will be permitted to remain in the theater between sessions.

To allow seating for all of our guests, we ask that you enjoy the competition only during the divisions in which your child will perform. Competitors will be only permitted to view the competition from the Stage 17 viewing area, not from inside Hyperion Theatre.

If you are a spectator coming to watch squads compete in the divisions listed below, you should line-up outside of the theater in preparation for the doors to open at the times designated.
